A man with a bald head, wearing a dark pinstriped suit jacket over a light blue button-down shirt, is speaking. He has a serious expression and is gesturing with his hands. His right hand is raised with fingers slightly curled, and his left hand is open and held out to the side. The background is a solid blue color. A semi-transparent white box with black text is overlaid on the lower part of the image.

# ~~Overlevelse~~ Trivsel i en eksponentiel virkelighed

(fra 5 til 105 årige)

1. Dyrk nysgerrighed og passion

Skab løsninger på væsentlige problemer

2. Livslang læring

Transformer lederskab, start fx med en kommission for eksponentiel tænkning

3. Lær at kode og forstå data

Maskinlæring og algoritmer!

4. Tænk kritisk og tag udgangspunkt i realiteterne

Empirien fortæller en anden historie end nyhederne

5. Lær at elske fejl

Støt entreprenører og intraprenører

6. Skab unaturlige relationer

...og differentier dig selv gennem samarbejde

7. Sæt (mega) store mål
